Exploring our World of Wonders! A Montessori Program

Dig It - Garden Creatures and Creations

June 11 - 15

Let's dig under the dirt and see who is helping our garden grow. We'll find worms, spiders, lady bugs, and so much more! We'll have spring harvest and plant new crops as well. We'll travel to other Missoula gardens to learn about the wonders of plants and transform our knowledge into flora-inspired works of art.

Our Marvelous Missoula

June 18 - 22

Lets explore the city we love! We will visit famous landmarks and local establishments. We will get acquainted with maps of our town and use Missoula's public transportation to travel to special places. We will learn about the history of Missoula from prehistoric times up until today.

Fly Fly Away

June 25 - 29

This week we'll learn all about things that fly through the air. We'll explore the science of aerodynamics as we travel to study birds, planes, hang gliders, and parachutes. Then we'll design and construct our own winged creations!

Everything Clay

July 2-3, 5-6*

Clay up, clay down, clay all around! This week we'll create clay works to use as dishes, decorations, jewelry, even sculpture for the garden. We'll visit ceramic galleries to see what other clay artists have created, and we'll venture into the woods to find natural designs as well.

Diverto Con Español!

July 9 - 13

Enjoy this adventuresome week while learning Spanish! Each day we'll explore a different Spanish speaking country. We'll learn about their games, music, animals and environments. We'll discover their favorite foods and prepare some to enjoy ourselves!

Out in Space

July 16 - 20

This week we'll delve into the awesome wonders of our universe by exploring our solar system, planets, and the amazing celestial bodies that surround us! We'll learn about life as an astronaut and take trips through our galaxy via the Hubble Telescope!

Wet and Wild

July 23 - 27

Who says you can't spend a week getting soaked! This week it's everything water, water fun, water experiments, and playing water games. We'll visit the splash deck one day and the Clark Fork river another. Our week will come to a close with a water EXTRAVAGANZA!
