

Invoice and Tuition Schedule for 2019-2020 School Year

Dear Garden City Parents,

In order to provide an excellent Montessori education program, Garden City Montessori makes the financial commitment of hiring staff and purchasing educational materials for a full academic year. To match this, your child's enrollment constitutes a commitment for the duration of that same academic year. We have prepared the Invoice and Tuition Schedule below to aid your plans for the 2019-2020 school year.

Invoices will be mailed or put in your Parent Mail Box on the invoice dates below. Please mail your check to PO Box 5183, Missoula, MT 59806 or put in the Business Mail Box in the office each month. Other methods of payment accepted are online bill pay, money order or cash. We do not accept credit cards. We want to make tuition payment as convenient as possible for you. Please email anne@gardencitymontessori.com or call 406-240-0290 with questions.
